SEC. 11. MULTILATERAL ANTINARCOTICS STRIKE FORCE.

(a) FINDINGS.—The Congress finds that—

(1) the Congress has, in the past, indicated its support for a multilateral, regional approach to narcotics control efforts;

(2) a proposal to create a multilateral, international antinarcotics force for the Western Hemisphere, is a plan worthy of praise and strong United States support;

(4) the development of a greater capability to assist the governments of Latin America and the Caribbean, including the Caribbean Basin nations, is an essential component of efforts to interdict the flow of narcotics to the United States; and

(5) regional leadership in the promotion of a multilateral, paramilitary force to combat the drug cartels is welcomed and encouraged.

(b) SENSE OF CONGRESS.—It is therefore the sense of the Congress that—

(1) the proposal for the promotion of a regional multilateral antinarcotics force for the Western Hemisphere should be endorsed; and

(2) the United States should work through the United Nations, the Organization of American States, and

other multilateral organizations to determine the feasibility of such a force and should assist in the establishment of this force if it is found to be feasible.
